Minchinbury, NSW

Statement

First year Diploma of IT student at Western Sydney University, studying cybersecurity. I want to move into a bachelor's degree and build a career protecting people and systems online. I learn fast, work well with others and I'm comfortable dealing with customers.

Education

2026 to present – Western Sydney University, Kingswood
Diploma of Information Technology

2025– Patrician Brothers College, Blacktown
Higher School Certificate

Experience

Jan 2025 - June 2025 | Administrative Assistant
Star Income Tax, Penrith

- Greeted customers, answered questions at the front desk
- Booked appointments for clients
- Helped organise financial records
- Kept private information safe and handled tasks responsibly

Aug 2024 - Oct 2024 | Pharmacy Assistant
Point Clare Pharmacy, Point Clare

- Helped customers at the front counter
- Restocked shelves, kept track of medicine and products
- Occasionally helped get medications ready
